Please find some useful information to make your stay as pleasant as possible.

ENTRY INTO THE HARBOUR

You can enter the harbour through the gate after you crossed the railway and the the roundabout as the map shows below. The gate will be open between 8:00–20:00. Please inform us if your arrival time is out of this period at **olcsihun70@gmail.com**. We kindly ask you to keep the harbour free of cars and trailers – except for arrival and departure. The harbour and the host club is a strict no-parking zone. Please use the parking area for cars outside the gate.
